Graphite Pencil Artist Debbie Galante was born in Denville, New Jersey in 1958.

After a trek cross-country to Arizona in 1986 Debbie began her career as a professional artist.

Her favorite subjects include wildlife, large and small, weathered barns, old buildings and still life's.

While much of her business is comprised of private sales, the artist's work can also be viewed at various venues in the White Mountains of Arizona.

Debbie's background includes Interior Design, Fashion Merchandising and Music.

She is currently teaching piano and art to young beginners at her studio in Vernon, Arizona.
